Dear Mr. Budd,

Hi, I thought I take this time to let you know how much I appreciate you and your firm for representing me all of these years.

I was diagnosed with being exposed to Asbestos, and I can't thank you and your firm enough. You all are very thoughtful, you care about your clients, throughout the years. I know some people have not survived thanks be to God, I am still here. **You have been a wonderful part of our lives to us and other people.** We have hope and we know we have a better future knowing your firm and you are fighting for us the little man against these large corporations.

Dear Baron & Budd Att.

I've been trying to write to you for a long time. I did once. I want to thank you all for what you have done for Ray and I when he was so ill. **What you did was make it possible to keep him home**, but after he passed on to a better place, where he did not have to suffer any more, I thought your help was over, but you keep sending me money when I seem to need it the most. God bless you and your friends.

Thank you.

Dear Byron & Budd,
 I want to let you know how much
 my family and I appreciate all
 of you, and your attorneys for all
 you have done for us since my husband's
 death in Feb. 15, 1999. He died from
 mesothelioma. He worked as an asbestos
 worker for many years.
 Because of the settlement, I have
 been contributing to my grandchildren's
 college funds.
 Keep up the good work all of you.
 I'm so grateful that I chose Baron & Budd.
 May God Bless all of you.

This is just a note of appreciation to say "thank you" to Baron & Budd for their work in our behalf. Norman has had prostate cancer, followed by the onset of Parkinson's so the settlements secured for us by Baron & Budd have really helped us.

Members of the firm we have worked with have all been so courteous and friendly. We do appreciate every thing.

I am the wife of Horace. He was an employee of Carbide - now Dow Chemical.

We would like to wish all of you at Baron and Budd a very Merry Christmas and happy New Year.
